

February 1, 2018

The Pennsylvania Kiwanis is an organization dedicated to serving the children of Pennsylvania by means of service projects, educational programs, community outreach and volunteer opportunities. For our convention, we chose the theme “Bridge to Service” – in essence, bridging the gap between those in need and those who can help. Because of the generous support we receive from corporations such as yours, we can continue to serve our children and our communities.

August 9th-12th, 2018, hundreds of Kiwanians from around the commonwealth will gather in Pittsburgh, PA for a weekend of service, comradery and the chance to reignite their passion for serving those in need around the state.

This year, the 2018 convention committee is selling opportunities to sponsor our convention which in turn will help offset the cost of the convention to our members and give you and your business / organization a chance to receive state-wide recognition. Please take the time to read over the form on the next page. We have designed our various sponsorship levels to be affordable for any budget. If you have any questions regarding becoming a sponsor, email committee chair, Keith Smith at keithsmithconsulting@yahoo.com.

On behalf of the entire Pennsylvania Kiwanis District, thank you for taking the time to consider sponsoring our convention and we hope to have you and/or your business make a positive impact on those that make a positive impact for our state.

Sincerely,

The 2018 Pennsylvania Kiwanis Convention Committee
